Training Videos

We know you're busy running your farm, and want you to have the opportunity to learn the basics of Farmbrite on your schedule, when it's convenient for you! You can start by watching our 15 minute [Getting Started Video](#) below for an overall introduction. Below that, you'll find additional videos that dive deeper into each feature.

Learning More

You can also [check out and subscribe to our YouTube Channel](#) for more videos. You'll find monthly [What's New videos](#) there, highlighting recent updates and newly released features. There are also additional videos on specific features in the [How To Farmbrite](#) section.

If you prefer to read instead of watch, we would suggest browsing the Farmbrite Help Center using the menu on the left. Most Categories have a Getting Started Article which walks you through the basics of that section of the software.
