

Generating a Profit and Loss Statement

Last Modified on 05/03/2024 12:26 pm MDT

As you create accounting transactions and separate them into categories, your income and expenses will start to accumulate, and you'll want an easy way to see those totals. Knowing what you are spending money on, and where your income is coming from is obviously important to running your business! Farmbrite offers an account wide Profit and Loss Statement, along with individual ones for fields, crops, equipment, and animals.

Main Account Wide Report

To run this report, choose Reports, then choose Standard Reports, you'll see the Profit and Loss Statements within the accounting and financial reports section. You can run the standard one, or choose to By Month option to see it grouped into totals for individual months.

The screenshot displays the Farmbrite interface for generating reports. The left sidebar contains navigation icons for Schedule, Tasks, Livestock, Plantings, Resources, Accounting, Market, Contacts, Farm Map, Climate, and Reports. The 'Reports' section is expanded, showing 'Standard Reports' and 'Custom Reports'. The 'Standard Reports' section is organized into four main categories:

- Accounting & Financials:** Accounts Receivable Aging, Cash Flow Statement, Profit & Loss, Profit & Loss By Month, Spending by Category, Tax Summary.
- Livestock & Grazing:** Break Even Amount, Breeding, Deaths & Losses, Drying Off, Due Dates, Fields being Grazed, Feeding Summary (ADG/FCR), Grazing Details, Grazing Summary, Livestock Inventory, Measurements, Pregnancy Checks, Reproduction Details, Reproduction Summary, Treatments & Vaccinations, Upcoming Treatments, Weaning, Yearlings, Yield Details, Yield Summary by Type.
- Plantings & Crops:** Break Even Amount, Estimate Seed Order, Expected Harvests, Grow Location History, Harvests Details, Harvests Summary by Type, Nutrients & Amendments, Planting Inventory, Soil & Nutrient Samples, Treatments, Upcoming Harvests, Yield Comparison.
- Orders & Market:** Finished Orders, Order Summary, Payment Due Orders, Pending Orders, Top Customers, Top Products, Tasks & Schedule, Tasks Completed, Tasks Due, Schedule, Resources, Equipment Maintenance, Inventory History, Inventory Summary by Location, Inventory Summary by Type.

At the bottom of the page, there is a link: "Want to do more with reporting? Build a custom report".

You will be presented with a Profit and Loss statement for the current calendar year. You can adjust the date range of the report by adjusting the "From" and "To" date fields towards the top. You might also group this report to get your Profit and Loss Statement monthly or quarterly to measure your progress throughout the year. Click the "Update" button to regenerate the Profit and Loss statement.

The P&L statement will show you a breakdown of your income, expenses and profit for the selected time period. The top section shows your income, with a total revenue amount calculated. The bottom section shows your expenses, with a similar total. Each line in the report is grouped by the category of income or expenses that you recorded them to when creating the transactions. The profit displayed at the bottom is calculated by subtracting your expenses from your income.

If you have customized your Chart of Accounts and built subcategories within parent categories, you'll also see a summary total for the main category. In our example below we have individual categories for cow, chicken, and goat feed with each associated to the main feed category that is totaled in that section.

Individual Record Reports

The same report is also available on individual records. Rather than seeing all your expenses and income for your entire business, you can can a breakdown of those associated with particular records. [This article will walk you through the steps](#), but overall the concept is the same. In the example below we are running the report from grow location, and you can also get this same report for crops, plantings, equipment, and animals.

The screenshot displays the Farmbrite web application interface. At the top left is the Farmbrite logo and a search bar. The top right contains navigation links for 'Quick Add', 'Account', 'Chris', and 'Help'. A left-hand sidebar menu lists various application sections: Schedule, Tasks, Livestock, Plantings, My Crops, Grow Locations, Resources, Accounting, Market, Contacts, Farm Map, Climate, and Reports. The 'Plantings' section is currently active, showing a sub-menu with 'Crop Plan', 'Planting History', 'Grazing', 'Treatments', 'Nutrients', 'Schedule', 'Tasks', 'Notes', 'Map', 'Accounting', 'Photos', and 'Files'. The main content area is titled 'Northwest Field B' and includes a 'New Planting' button and an 'Add Beds' button. Below this, there are tabs for '2023 Planting Year', 'Future Plantings', 'Currently Planted', and 'Harvested'. The '2023 Planting Year' tab is selected, showing a list of five beds:
