

# How do I extend my trial?

Last Modified on 11/19/2024 10:52 am MST

## We're happy to extend your trial!

If you need some additional time to review the software before you are able to make a decision on subscribing, we are happy to extend your trial. We know that things can come up around an agricultural operation, and if you didn't have time to fully explore the software, once the trial expires you'll be able to click a button in your account to automatically extend it. When you log in after it has ended, just choose "Extend Trial" and you'll get an additional 14 days.

The screenshot shows the Farmbrite user interface. At the top left is the Farmbrite logo and a search bar. A sidebar on the left contains navigation links for Schedule, Tasks, Livestock, Plantings, Resources, Accounting, Market, Contacts, Farm Map, Climate, and Reports. The main content area is titled "Select Account Plan Level" and includes a sub-header "View and manage your account subscription plan level". A large red-bordered box in the center contains a message: "Your trial has ended. Activate today to continue using your account. If you need help choosing a plan or getting started [contact us](#). Didn't have enough time to try our Farmbrite? Extend your free trial for an extra 14 days." Below this message are two buttons: "Extend Trial" and "Activate Now". Below the message box is a "Plan" section with the sub-header "Update your plan settings" and a link for "Compare Pricing Plans". It lists four subscription plans, each with an "Activate" button:

Plan Name	Price	Description	Action
Grower Essentials	\$29.00/month	Core digital planning, tracking and management tools for diverse crop growers	Activate
Grower Performance	\$39.00/month	Expanded record keeping, management and reporting to help you scale & grow	Activate
Livestock Essentials	\$29.00/month	Core digital livestock record keeping, health and management tools	Activate
Livestock Performance	\$49.00/month	Expanded livestock record keeping, management and reporting to help you grow	Activate

At the bottom of the plan list, the "Plus" plan is highlighted in blue, with a price of \$79.00/month, labeled as the "Current plan", and an "Activate" button.

You can also contact us [here](#) to ask for additional time if you have already extended the trial once. Reach out, we are glad to work with you and help with what you need.
