How do I view past invoices / charges?

Last Modified on 03/01/2019 2:09 pm MST

You can review your past invoices and payments on your Billing page of your account.

- Go to the "Account" tab at the top right which is visible on most pages.
- Select "Billing"
- At the top of the page you will find a summary of your past invoices and charges.
- If you have any questions you can contact us.
