

# How do I upgrade my subscription plan?

Last Modified on 11/19/2024 12:23 pm MST

## Changing Your Farmbrite Subscription

Farmbrite offers multiple different subscription plans with various features. These tiers give you options to find the right plan at the right price for you. If you initially opened your account on an Essentials or Performance plan and have expanded your business operations, you might want to upgrade to a Plus or Premium plan to add more users, animals, inventory items, and advanced capabilities.

You can [review all the available plans and features on our pricing page](#). **Be sure to scroll through the Big Feature List** to compare the plans and see exactly what unique and helpful features you can upgrade to!

After reviewing the options and deciding what's best for your needs, navigate to the Settings menu in the upper right (Gear icon) and select Billing. Account details will be displayed with your current Farmbrite plan shown. Click the Switch Plan link and you will be brought to Stripe, Farmbrite's billing processor. You can choose to Update Plan on the right, and then browse through the available plans. Make your selection and continue, and then confirm the upgrade to accept the new pricing. When you return to Farmbrite, you'll see your new plan in that same section.
