

How can I add an Avatar Photo to my user account?

Last Modified on 11/30/2021 10:36 am MST

When looking at your Tasks or logging in to the Farmbrite mobile app, you'll likely see a generic avatar associated with your user account - probably the first two letters of your first name. We know it might be easier to identify other users with their picture, and that you'd like to associate a photo of yourself with your account. You can easily do this using the Farmbrite Photo Library.

To get started, navigate to the Account Menu in the upper right, and select **Photo Library**.

The screenshot displays the Farmbrite web interface. At the top left is the 'fb' logo and a search bar. The top right shows 'Account', 'Chris', and 'Help' options. A left-hand navigation menu includes: Schedule, Tasks, Livestock, Crops, Resources, Accounting, Market, Contacts, Farm Map, and Reports. The main content area features a weather forecast for 'Field B' with a temperature of 38°F and a wind speed of 1 mph. Below this is a 5-day forecast table:

11AM	12PM	1PM	2PM	3PM
38°F	40°F	43°F	47°F	49°F
1mph	2mph	4mph	6mph	7mph
0%	0%	0%	0%	0%

Additional weather details include: Feels like 36°F, Sky Cover: 2%, and 1-Hr Precip: 0mm. To the right is a topographic map with a yellow path and a purple rectangle. At the bottom right is a pie chart titled 'ANIMAL TYPES'.

From your Photo Library, click the **Add Image** button to browse your files and select your photo to upload. You'll see it added to the Photo Library.

Add Image

1 / 100 images (Max 10 MBs each)

Now that you have a photo in the Library, you can then navigate to your **User Profile** and select it to be used as your Farmbrite avatar. Just choose Your Profile under your name in the upper right, and then add the image from your Library. Don't forget to click Save in the bottom right when you've finished.
