The Farmbrite Referral Program is made to thank customers for referring a friend or family member to Farmbrite. We call this Refer & Earn. We see you doing this already and would like to thank you! Here's how it works:

## The requirements:

1. You must be a paying customer, in good standing.
2. You can be on only paid plan.

## Your reward:

1. A \$50.00 credit will be issued to the Farmbrite customer who did the referring.
2. A \$50.00 credit will be issued to the new customer who signed up.

## How it works:

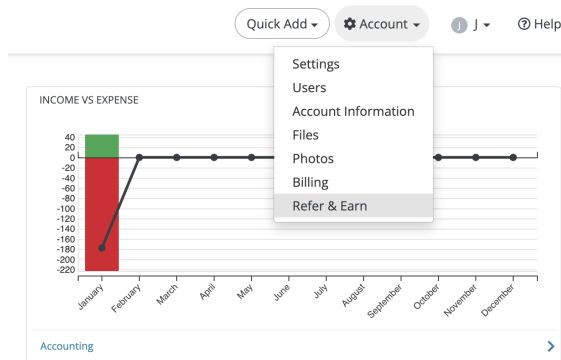

1. Share your link with another farm owner.
2. They sign up and purchase an account.
3. You both get a \$50.00 credit applied to your future subscriptions.

## Limitations and restrictions:

- Credits will only be credited toward an active Farmbrite account.
- Credits cannot be redeemed for cash.
- Credit is only valid on first time purchases and their first payment.
- This offer cannot be combined with any other promotions.
- Only available where offers are valid.
- Only sign ups using your unique email are valid.
- Credits are valid as long as you have an active, in good standing, Farmbrite account.
- By participating in this program you agree that you will not participate in any pay-per-click advertising programs using your referral link or bid on terms including deviations, variations or misspellings of [Farmbrite](#) or [Farmbrite.com](#).
- All account plan level have access to the Refer & Earn plan but the credits do not apply to referrals for Accounting only or Lite plans.
